

GREAT BRITAIN THREATENS TO ABROGATE TREATIES WITH UNITED STATES

New York, Feb. 19.—A special to the American from Washington says: "Great Britain has threatened to abrogate the Hay-Pauncefote treaty, the joint treaty with Russia relating to Alaska, and the treaty with Canada, if the United States does not repeal the law granting free tolls to American coastwise ships through the Panama Canal."

PEACE RIVER TRAMWAY COMPANY INCORPORATED

Is in Connection With Western Central Canadian Railway Company.

Ottawa, Ont., Feb. 19.—A bill to incorporate the Peace River tramway company, standing in the name of H. B. Bennett, of Calgary, was reported in the railway committee this morning.

The bill is to build tramways to pass obstructions in the river in connection with the development scheme of the Western Central Canadian railway, which was granted a charter the other day, and the company proposed to build a line from the mouth of the Peace river through Northern British Columbia and Peace River district and the Northwest territory to Prince Albert. The bill provides that the head office of the company shall be at Vancouver, B. C.

Suggestion or Order
When the bill to renege the charter of the Saskatchewan Central Railway Company was called, Hon. H. B. Bennett wanted to know if this was a "suggestion or an order." It was explained that the charter was granted in 1910 and extended in 1912. H. B. Bennett moved to limit the time for commencement of construction to one year and completion to three years.

Mr. Bennett asked if this was suggested as a precedent. He said it had been considered in C. P. R. bill which the C. P. R. threatened to withdraw. This bill has not yet passed the lower house.

Weld Out Charters
H. B. Bennett said it was time to weld out these western charters. There were too many of them. He said he proposed to move this amendment which every western bill carried up. If any company withdrew a bill as a result, parliament should not let any company further legislation.

Geo. E. McCraney, Saskatoon, in whose name the bill stood, said that such action would result in the three big companies securing the charter. He did not think that the independent companies should be discouraged. Hon. Frank Cochrane said no protest had been made against the withdrawal of the charter. Mr. Bennett's amendment was carried on a vote of 19 to 6 and the bill was reported.

MAN INJURED ON SUNDAY CAN SUE FOR COMPENSATION

Vancouver, Feb. 19.—The recent decision of Judge Grant in an arbitration under the Workmen's Compensation act, in which he held that the widow and children of Steve Theas, a railway laborer, could not recover damages for his death because he was killed while at work on a Sunday, was this morning set aside by Justice Gregory, of the supreme court, in reviewing the case held that the act was not in force on Sunday.

PETITION SIGNED BY TEN THOUSAND ASKS VOTES FOR WOMEN

Vancouver, Feb. 19.—A monster petition from the women of British Columbia asking for the franchise was presented to the legislature yesterday afternoon. There were ten thousand names on the roll of names which was 200 yards in length.

Each City Commissioner Individually Responsible

City Council Decides Heads of Departments Must Rule Everything Under Their Charge Except Passing of Estimates—Old System Too Complicated and Slow.

A system of individual responsibility was made plain this morning by the city council and the city commissioners were given instruction as to it, when the council passed a resolution that the signature of other than the commissioner of a department when reporting to the council on matters relative to his department was not required.

When it comes to the consideration of estimates, the entire board of estimates will submit the same to the council, and when the recommendation of any matters comes from the whole commission board, it is to take the form of a report from the commission board signed in due form by the secretary.

TORY VICTORY IN WYCOMBE RIDING WAS NO SURPRISE
At Last Election Unionist Was Returned Without Opposition.
BY-ELECTION HAD NOT ANY PARTICULAR SIGNIFICANCE
Bethnal Green Contest Today Different—Liberals Will Have Hard Fight.

London, Feb. 19.—The by-election for the Wycombe district of Buckinghamshire, a county riding resulted as follows: Maritz, unionist, 9,041; Ten-man Mosley, Liberal, 6,713; unionist majority 2,328; voters on register 18,465.

At the last general election Sir Alfred Crompton, who was elected by acclamation and in the previous election he had a majority of 2,556. The vacancy was caused by the resignation of the sitting member to the peerage, and it found the liberals unprepared. Their official candidate, C. O. Hobart, was defeated by a large margin.

Many Small Towns
The constituency embraces a number of small towns, and it is not unusual to find a number of London business men, but it is understood that the majority of the voters did not trouble to vote, the result being assured.

The striking chaimakers at High Wycombe, an industrial center, decided to ignore both candidates, but how far this thousand odd members of the Wycombe Trades Union, which is affiliated to the T. U. C. I., will do so, is not definitely known.

The by-election has no particular significance. It is a different matter, however, in the contest for the seat for the constituency, which is held by Mr. C. O. Masterman, whose election in 1911 by-election was only 184, and unionists depend on the unpopularity of the insurance act among the poorer classes who make up the bulk of the electorate to turn the tide in their favor.

JUDICIAL COMMITTEE APPOINTMENT GIVES GENERAL SATISFACTION

London, Feb. 19.—In an editorial on the subject of the appointment of the judicial committee of the privy council, the Morning Post says that it is not likely the extreme Canadian view which would have the appeal even from the privy council, will gain much support. A sober opinion throughout the empire, says the Morning Post, is that the privy council is an indispensable inter-provincial and imperial institution. The appointment to the judicial committee of the privy council of eminent judges from the overseas dominions has, however, given general satisfaction.

LORDS' COMMITTEE WILL PROBE INTO MARCONI SCANDAL. QUEEN TO BANISH LOW CUT DRESSES FROM HER COURT.

Lansdowne Describes It As Most Discreditable Gamble in History.

WILL NOT ACCEPT REPORT OF COMMONS ON SUBJECT. Will Find Out Whether Lord Murray Obtained All the Shares.

London, Feb. 19.—The Marquis of Lansdowne, leader of the opposition in the house of lords, presented a motion today providing for the appointment of a committee to inquire into all matters relating to the Marconi stock dealings of Lord Murray of Elibank.

"There never was a more discreditable gamble on the stock exchange than the one which took place in connection with American Marconi stock," said Lord Lansdowne. "It was so discreditable that the stock exchange committee took the unusual course of suspending for five years a jobber concerned in it."

"The disclosures have shown that there is something seriously amiss with British public life," said Lord Lansdowne. "It is impossible to accept the report of the committee of the house of commons, while Lord Murray's apology in the house of lords, which was no defense for his conduct, although Lord Murray was in England for two months while the commons committee was sitting he never appeared before it."

The motion was carried without a division. Lord Lansdowne suggested the appointment of a committee comprised of two experienced law lords. His duty should be to ascertain whether Lord Murray had obtained all the shares for which he applied and if he was the actual owner of a block of shares obtained by cabinet ministers.

The Marquis of Crewe, the liberal leader, said the government would offer no objection to the appointment of such a committee although it was not favorable to any responsibility for it.

EXPLOSION IN GAS PUMPING STATION HURLS MAN 50 FEET

Waynesburg, Pa., Feb. 19.—With a pump station that was heard for miles, a pumping station of the manufacturers light and heating, one mile from here was blown to pieces early today. John Shier, in charge of the station, was hurled through the air fifty feet and found two hours later was in a dying condition. Three other men were seriously injured. The pump in the station was wrecked and the gas, leaking, blazed a hundred feet in the air.

The station was the principal pumping point on the company main line from the West Virginia natural gas fields to the Pittsburgh district.

REBEL TROOPS ARE DEFEATED TWICE; COMMANDER KILLED

Cape Haytien, Hayti, Feb. 19.—Two serious defeats were suffered today by the army of the rebel leader, Senator Davila Theodore, at Grande Riviere, fifteen miles from here and at L'Anse-au-Loup, near Cap-Haitien. General Paul commander-in-chief of the rebel forces was killed in one of the battles. The rebels retreated toward Cape Haytien pursued by the government troops.

Fortifications have been erected here by Senator Theodore, who refuses to leave.

ALASKAN RAILWAY TO TAP GREAT COAL FIELDS OF NORTH

Washington, Feb. 19.—The administration Alaskan railway bill authorizing the president to construct a 125,000,000 railway from the Alaskan coast to its great coal field was passed by the house yesterday by a vote of 220 to 57.

The bill has already passed the senate and now goes to the president who is expected to sign it.

C. N. R. ONLY NEEDS A COOL \$20,000,000 FROM GOVERNMENT

Washington, Feb. 19.—Long delayed consideration of general arbitration treaties with eight foreign nations was before the senate today, when it went into executive session. Treaties with Great Britain, Japan, Spain, Norway, Sweden, Portugal and Switzerland, were before it.

Champions of Panama tolls exemption held up the British treaty last summer because they feared it might have to be submitted to the Hague. President Wilson's proposal for repeal, however, may change the situation. Immigration questions are involved in the treaty.

BORDEN HAS NOT YET ARRIVED AT CONCLUSION Before Finally Deal With Caucus of Ministers Will Be Called.

Ottawa, Feb. 19.—The Morning Citizen says: "Rumors are again afloat with regard to the Canadian Northern Railway and its move to secure further financial assistance from the government. The latest proposal, it appears, is for a loan of \$20,000,000 or \$25,000,000, the reason urged being that the conditions in the money market at present make it exceedingly difficult to raise amounts required for financing the undertaking at least on favorable terms. The company is said to be willing to offer the security of its own stock and such other guarantees as are deemed necessary."

"As far as can be learned, no conclusion has been reached by the government if even it has been formally considered. Many think that providing a sufficiency of security is forthcoming the loan will be made following the precedent established last year in relation to the G. T. P."

"Before anything final is done, however, the ministerial members will likely be called in caucus. A number of them are privately expressing opposition to any further extension of assistance to the Canadian Northern."

Sir Wm. Mackenzie is here and the outlook is being canvassed but a final decision has not been arrived at and it is not likely to be immediately."

MACHINE HITS SNOWBANK RUN TO BRAZE

Captain H. S. Migell, John Cawsy, H. Newman, John Irwin and E. Charberieu, all Belonging to No. 2 Station, are Hurt—Victims Taken to the Royal Alexandra

Five firemen are lying in the Royal Alexandra hospital more or less seriously injured as a result of an accident that occurred at 7 o'clock this morning when they were responding to a call received from the Swift-Canadian Packing plant.

The accident occurred on Norton street just above the railway track, and was caused by the new motor fire engine striking a snow bank while tra-

velling at a high rate of speed, causing the machine to tip and throw the five men out.

The injured are: Captain H. S. Migell, John Cawsy, H. Newman, John Irwin and E. Charberieu, all belonging to No. 2 station.

The fire did not amount to very much. A blaze had started in the engine room of the packing plant and was easily extinguished.

C. P. R. TO SPEND ENORMOUS SUM ON PRAIRIE LINES

Forecasted Expenditure is \$85,000,000—Bury in East Conferring With President

MUCH DOUBLE TRACKING WORK IS NOW PROCEEDING

Company's Program for West When Completed Will Cost \$450,000,000

Montreal, Feb. 18.—C.P.R. extension plans last year and this will involve a total expenditure of about \$85,000,000 according to authoritative forecasts current here. Vice-president Bury is in town conferring with the head of the road, but neither as yet has handed out an official statement. The large amount quoted, however, is said to be spread over a number of years, and double tracking and other parts of the program will be proceeded with conservatively as the need arises.

Double Tracking Work.

At the present time there are 125 miles of double track under construction between Sudbury and Port Arthur, on the Lake Superior division, which alone will cost \$6,000,000, 175 miles double track between Brandon and Calgary, to cost \$5,000,000, 185 miles between Devils Lake and Vancouver to cost \$6,000,000.

In the more difficult sections along the Thompson and Fraser rivers it is not the intention to proceed with the double tracking until the Kettle Valley line is ready, which will be next year, so that there will be an alternative route between Medicine Hat and Vancouver, via the Crown Nest Pass.

Many New Lines.

All this is in addition to other work going on at the same time in other sections of the country. New lines between Swift Current and Selkirk, a distance of 219 miles; two other branch lines on the main line in Alberta; there is the Western branch which is comprised in 476 miles of which 194 miles have already been constructed. But while no new starting features are announced, the work mapped out will mean as big a disbursement as if a sensational program had been made public. Before the C.P.R. is through with its present program of work in the west, including the irrigation works the double tracking and the new tracks amounting to about 12,000 miles it will have spent something like \$120,000,000 in the western part of the country since its inception.

From Halifax to Vancouver

Women Are Praising Dodd's Kidney Pills.

Nova Scotia Mother Tells How They Cured Her Aching Back and Pains, and Made Her a Well Woman Again.

Edwin Secum, Halifax, N.S., Feb. 17. (Special).—From Vancouver to Halifax come daily reports of the splendid work Dodd's Kidney Pills are doing for the suffering women of Canada, and this little place can show a splendid cure of its own. Mrs. Oratus Pace, the mother of a large family, was a sufferer from those aches and pains which at times today she is a strong, healthy woman. Dodd's Kidney Pills did it.

"I had a pain in my left side and down through my hips," Mrs. Pace states. "I had headache all the time. My heart was weak, and at times I felt as if I was going to faint. Some days I was hardly able to walk. I read of a woman who knew of these pills, and sent for three boxes. Today I am a well woman, and can do as much work as ever I did. Dodd's Kidney Pills cured Mrs. Pace because her troubles came from diseased kidneys. Dodd's Kidney Pills always cure diseased kidneys, and ninety per cent. of women's troubles come from kidneys. Dodd's Kidney Pills have come to be known as suffering women's best friend."

EDMONTON CAPITAL WRONGLY ACCUSED BY ESDALE PRESS

The Esdale Press sent a letter to the mayor and the city council calling attention to an article which appeared in the Daily Capital, February 11, to the effect that the bookbinders complained that our shop was an unfair one. The Capital did not print the article referred to as anything but a part of the proceedings of the city council and the Capital was not the only paper to do this. This statement of fact also is called to the attention of the compositor and pressmen who held a meeting and also wrongly accused the Capital.

QUESTION OF CORRUPTION IN POLITICS DISCUSSED
Burnham Says Graft Due to General Indifference of the Voters.

Ottawa, Feb. 18.—The parliament of Canada has formally committed itself to the task of dealing with the question of electoral reform. The momentous step was taken upon at yesterday's session as the result of a resolution moved by Mr. Maclean, liberal member for Halifax. Mr. Maclean moved for the appointment of a committee of the house to investigate corrupt practices and provide for greater purity in elections by the making of necessary amendments to the controversial election laws. He supported his resolution in a speech in which he studiously avoided the making of any political capital out of the question. He reviewed the principal features of the act in force in Great Britain, including the provision of a public prosecutor, and while not advocating their adoption, said that the advisability of incorporating all or some of them in the Canadian act might well engage the attention of a committee of the house.

Publicity Be Considered.
Mr. Maclean also suggested that the United States law calling for publicity in connection with campaign contributions might be well considered. Hon. C. J. Boucher, in an orderly, careful and moderate speech, agreed to the proposal that a committee should be named. He thought much had been done in the way of improving election laws. In some respects he thought they are too stringent, while in others they are severe enough. He thought a distinction should be made between a personally honest candidate whose agent might be guilty of offences against the act and a candidate who condones corruption. Mr. Boucher suggested making it compulsory for voters to go to the polls, whether they cast a ballot or not.

Nothing Gained by Compulsion.
Sir Wilfrid Laurier did not agree with this proposition. "Nothing," he said, "was to be gained by compulsion. He believed the law should make it compulsory for employers to give their employees an hour or two in which to cast their votes. Referring to the Halifax program, Sir Wilfrid said that Mr. Boucher had probably promised more than he could perform; but there were some suggestions in that platform which would be well considered."

Premier Borden, who spoke very briefly before the house rose at 6 o'clock, when he moved the adjournment of the debate, agreed that the law as it stands could be greatly improved. It was proposed to give the country a law which could be properly and readily enforced. He hoped to have the changes made before the next general election. This means that a bill based on the recommendations of the committee to be named will be introduced next session.

Other speakers were Burnham, who took a pessimistic view of the situation, saying the corruption of the day was due to the indifference of the people; and Mr. Boyer, West Aton, who accused Mr. Maclean of insincerity.

SAYS NATION DOES NOT YET REALIZE NEARING DANGER

Imposing Demonstration Against Home Rule in City of London—Sir Edward Carson Received as Good Reception as He Would in Belfast—Pass Resolution Saying Measure Must Be Prevented.

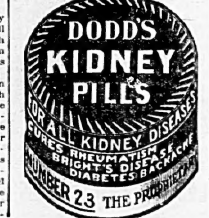

London, Feb. 18.—The city of London was yesterday afternoon the scene of a most imposing and important demonstration against the country's home rule. Lord Rothschild who presided declared that it was impossible that the home rule bill should be carried in effect.

Right Hon. A. J. Balfour said: "We have got far beyond merely arguing the question, we have got to tell the government that this bill, good or bad, cannot become law. Sir Edward Carson who followed him, was given a great reception, being cheered as heartily as he ever was in Belfast. A resolution declaring that home rule must be prevented

speaking that the nation even yet is not beginning to think it possible.

"It has become the first duty of all who realize what that catastrophe means, and how close to us it is, to warn the public: to fix their thoughts upon this one issue without being diverted from it by minor questions which arise from day to day. Important though many of these may be in themselves they sink into insignificance compared with the menace which has arisen to our civil peace."

"Time, it must be borne in mind, is of the essence of peaceful settlement and time is fast running out."

In short, the earl has decided to relinquish his investment in real estate and go into business as a caterer and restaurant keeper.

WOMEN USE WRONG ARGUMENT TO GET VOTE SAYS TAFT

Amherst, Mass., Feb. 18.—Former President Taft delivered the second of the Henry Ward Beecher lectures at Amherst college last night, taking for his subject, "The People, the Constitution and the Courts." The argument of the militant suffragettes is that of anarchists."

Dominions Triple Score on Pennants in Final Game Northern Division--12 to 4

Pennants Showed Improvement Over Monday Night, and Better Ice Helped Both Teams—At Half Time Was 5-2. But Green and White Took Big Lead in Second Half—Elliott, Carmichael and Seal Were Best For Losers—Manners, McGovern and Cooks Played Well.

Pennants put up a game fight last night against the champion Dominion in their final game for the northern championship, but were not in the running, and lost by 12 to 4. The triple score is a good indication of the play, as the Dominion put up one of their most games this season, although the places of Stanley at point and Sutherland in goal were filled by substitutes. May played the goal position, and played it well, as did McCue at rover for the winners.

Pennants Better Than Monday.
Better weather conditions favored both teams, and the hard ice made for faster hockey. The Dominion took the ice with a five-goal lead from Monday night's game, and there was no doubt from the very first that they would pile up a big score against their opponents, who presented a somewhat changed line-up from other games, and were apparently disorganized. Elliott of the intermediates put up a grand exhibition, and although he was not the puck up and was always dangerous. "Doc" Carmichael and Jimmie Seal were two of the hardest workers in the game. He made a splendid running dodge and a beautiful shot from away out, which completely fooled the goalie.

Dominions Were Bunch of "All-Stars."
For the winners, "Dirtie" Manners, Leo and McGovern played possibly the best games. Leo got four goals, Manners two, and McGovern one. Both also got two goals, and carried the puck up and made the pass that counted other rallies. Lloyd Cook played one of his best games, and won time and time again blocking a Pennant run and carrying the rubber right into their territory. "Pennants" in the middle half the game were inclined to lag, neither team striking its suit and the Dominion apparently laying back, and the half ended 5-2. In the second period the green and white settled down, and soon were piling up goals in rapid succession.

Small Excitement Over Contest.
It was a foregone conclusion that the Dominion would have things pretty much their own way in the contest, and for that reason, no doubt, the crowd was about the smallest of the year, and even the now historic cause of more excitement, that was aroused last night. These "sure thing" hockey games never were and never will be crowd pullers, anyway. All interest is now centered upon the great game tomorrow with Moose Jaw and Eskimos as contenders.

Winners Were Speedy at Times.
The Dominion had speed to burn last night, and used it at times in backchecking to good advantage. Of course, desperate effort on their part was quite unnecessary at any stage of the game, and as said before, the game started off like a flash, and in 22 seconds, McCue had counted one for the winners. Baird followed in 5:14 and Leo Cook, in 8:15 on the Pennants, on a shot from the left side. May stopped it with his pads, but the puck dribbled through between his feet. Pennants got another in 4:07 when Elliott, who was working hard, not tired through for a shot.

It then came Lloyd Cook's turn, and after a long run and dodge, beat Willson on a good shot. Time 4:59. Again in 1:18 McCue scored his second goal of the evening on an individual play, and shot. The half ended 5-2. Carmichael's Good Score
"Doc" Carmichael tallied the first goal for the Dominion in the second half, after a splendid long run and bullet-like shot which completely fooled May, but McGovern took center ice with the rubber and went straight through for a score in 20 seconds. Manners carried up and passed to Leo Cook, who tallied again in 2:45. Next time it was Baird who worked the rubber up and made the pass to Leo for another score in just 27 seconds.
Bert Ross Got Two.
Baird got one in 1:57 and Manners in 5:27 on an easy pass in front of Willson. Manners again in 24 seconds, and Leo Cook another in 5:39 from a scrimmage near the goal. Bert Ross got the last score of the evening from a mix-up in front of the Dominion's goal in 1:26. The last four or five half minutes were played without further score. Upon looking over the various scores during the second half, it was found that the final score was 12 to 4 in the Dominion's favor.
More Games Next Week.
The game was just a nice work-out for the winners in preparation for their next games in the championship, but which will be played tomorrow night and see the Edmonton Eskimos trim the Moose of Moose Jaw.

NEWSPAPER VERDICT GOES WITH BOXERS, SAYS JACK COHEN

London, Feb. 19.—The verdict of prize fights in the New York newspapers was criticized today by Jack Cohen, the boxer who is suing Jack Lewis, another exponent of the mob art for breach of contract. Cohen testified in the high courts, told Mr. Justice Avey that after a fight in New York between Jim Driscoll and Abe Attel he met Attel nine months ago at the Fairmount club in a ten-round bout.
"We had a good fight," he said, "but no one seemed to know who had really won and I had to go by what the newspapers said. Some said it was a draw while others stated that I was badly beaten. But you must accept the newspaper verdict in America and I had to." Cohen testified that only ten-round bouts were permitted in New York. His lawyer said:
"Perhaps it is just as well," and when told that only six-round exhibitions were permitted in other parts of the country added: "That is better still." Cohen is coming to America at the end of March under the management of Barney Roben.

CAPITAL TRIMS JOURNAL.

In a hockey game that contained more thrills, fun and excitement to the square inch than anything else possibly could, the story of the game of the Capital last night trimmed the Journal aggregation at the Arena rink after the Pennant-Dominion game, by a score of 7 to 4. At half time the score stood two-all, and after having refreshments served during the interval, the Capital cut it came back strong, and tore through their opponents for an easy win. To describe the game is an utter impossibility, as other than to say the whole affair was the cause of more long and loud laughs than anything seen in a long while. A return game is expected.

JOHNSON'S RINK WON GRAND AGGREGATE

Johnson of the Capital City Curling club last night won the grand aggregate by defeating Kinross of the Strathcona Club, 15 to 10. This game was the result of the two teams being tied with 15 wins each from the open competitions during the bonspiel. The Johnson rink, composed of C. R. Rind, C. Johnson, A. Johnson, and J. H. Johnson, skip, will receive gold medals for their win, and Kinross rink composed of H. D. Torgerson, Hay and Kinross, will receive silver medals. Now that the bonspiel is over, the various clubs will resume their program in various competitions.

TORONTOS DEFEAT OTTAWAS 4 TO 1

Torontos Now Have Chance at Championship—Game Was Rough.
Ottawa, Feb. 19.—The Torontos completed a night of surprises by defeating the Ottawas by 4 to 1 in the N.H.A. game here last evening. Play was clean in the first two periods but in the third it grew rough. The results gave the Torontos an excellent chance for the championship as the Canadians have yet to play in the Capital and to face the blue shirts at Torontos.

WINNIPEG SPIEL COMING TO FINALS: RINKS IN FOURS

Winnipeg, Feb. 19.—Today will see the final games in most of the principal competitions of the bonspiel, several rinks last night gaining the four, the jewelry class of the Dingwall, the McLarens and the Trellys, while the Purdy Force is down to the eighth. Payne of the Winnipeg Strathconas, following the McLarens by defeating Haddock, while Shaw of the Thistle followed by beating Pepper of Delaraine. In the Dingwall, Haddock of Kenosha reached the jewelry through the defeat of Thomson of Miami. Kellie of Carman getting through by defeating a rink from McNeill of Gladstone. Jacob of St. Johns, and McQuinn of the Granite, are two of the jewelry rinks in the Trellys. The former leading Dineen, of the Thistle, and the latter Matheson of Russell. In each of the three competitions mentioned there are more rinks to enter the fourth, their games in the eighth having not yet been played. One of the possibilities being Reichen of the Thistle, who provided considerable interest by a strenuous win from Braden, of the Granite today.

LOOKS LIKE TIE-UP IN SASKATCHEWAN HOCKEY, THIS YEAR

Saskatoon, Feb. 19.—Speaking of hockey matters last night A. Eustace Hayden, president of the Saskatchewan provincial hockey league, talking of the standing of the teams in the league, said:
"The Rinks defeat on Tuesday night put them in the same class as Prince Albert, with four wins and four losses. If Humboldt beats Battleford on Thursday night and the Cities beat Battleford on Monday night which is probable in both cases, this will be a five cornered tie. Every team will have four wins and four losses, which will make it necessary to give one team a bye and play two sudden death games between the other two, and the two remaining teams to play off for the final. The winner will go to meet the winner of the Southern group for the Saskatchewan championship."

McDougalls Beat Theologes

Last night at the Albertolite rink, the McDougalls trimmed the Theologes 25 to 11 in a game in which the winners had all the best of play and left no doubt as to their superior ability. This puts the McDougalls well in second place with Varsity as their only leaders.

Zybyako Claims World's Title.

Leamington, Feb. 19.—Stanislav Zybyako, of Poland, after defeating R. F. Heller in straight falls here last night announced that in view of the retirement of Frank Gotch, he will claim the wrestling championship of the world and will defend the title against all comers.

MOOSE JAW WILL TACKLE ESKIMOS TOMORROW NIGHT

Both Teams Challenged For Allan Cup Last Year—Fast Game May Be Expected.

"The fastest team that ever came out of Saskatchewan," that is what is claimed for the Moose Jaw hockey team that will meet the Edmonton Eskimos at the Arena tomorrow night. The winning team is composed of the Pick of the Moose and Robin Hoods of the southern city and are coming north to win a clean-up.

The Eskimos are taking no chances on losing the game, and held a good work-out last night from 6 to 9 at the Arena and will be in grand shape for the contest. The team that will be in the city tomorrow, in the same team that last year journeyed to Winnipeg in quest of the Allan cup, just before the Eskimos went after it, and the showing they made against the cup holders, classes them as a class A team, and the game tomorrow should be one of the fastest this season, as both teams play the same style of game, with plenty of speed and combination. The game is billed for 8:20 and tickets are now on sale at Dechene & McNeil's cigar store.

MINNEAPOLIS BOWLING TOURNAMENT COMES TO AN END TONIGHT

Minneapolis, Feb. 19.—The Flor De Knipset team of St. Paul champions of the 1212 tournament of the American bowling congress, swept the pins for first place score at the international bowling association on the central alleys in the early shift last night. Its score of 2,910 pins will probably stand the assault of the last day of tournament.
Victor Webber, rolling in the same shift of the individuals, scored a total of 871 pins in three magnificent games, that put him in the lead of the individuals.
The double leaders were unaffected by the tournament to date. The 10 o'clock shift Thursday night.

WANDERERS TRIM OTTAWAS 11 TO 3

One-sided Game in Which Neither Team Exerted Itself.
Toronto, Feb. 19.—Wanderers defeated Ottawas in the N. H. A. game here last night 11 to 3. The game was a one sided affair as the score indicates. Wanderers had more team play and speed than Ottawas, but neither team exerted itself unduly.

Wanderers—Goal, Leblanc; Point, Ross; Cover point, S. Cloghien; Center, H. Left wing, S. Roberts; Right wing, O. Cleghorn.
Ottawas—Goal, Hebert; Point, H. McNamara; Cover point, Labe; Center, MacDonald; Left wing, Doherty; Right wing, Lowrey; Referee, Riley Harn; Judge of Play, Dr. Wood.

BREAKS A COLD IN A FEW DAYS

First dose of "Pape's Cold Compound" relieves all gripe misery.

Don't stay stuffed-up! Quit blowing and snuffing! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken will end gripe misery and break up a severe cold either in the head, chest, body or limbs.

It promptly opens clogged-up nostrils and air passages; stops nasty discharge of nose running; relieves sick headache, dizziness, feverishness, sore throat, sneezing, soreness and stiffness.

"Pape's Cold Compound" is the quickest, surest relief known and costs only 25 cents a bottle. It acts without assistance, tastes nice, and causes no inconvenience. Don't accept a substitute.

DISABLED KINEO CANNOT BE LOCATED BY WIRELESS CALLS

Norfolk, Va., Feb. 19.—Wireless calls sweeping over the sea from the radio tower of the middle Atlantic coast revenue cutters and numbers of steamships today found no trace of the fast-moving schooner Kineo, of Bath, Maine last reported yesterday making 12 inches of water an hour and in a disabled condition. The schooner, with her crew of 11 had been in bad luck for the last month, twice her sails were blown away and once she put into port for safety. When she was sighted by the steamer City of Atlanta yesterday, it did not seem necessary for the line to take off her crew and the revenue cutter Onondago began a search. The Kineo was then 160 miles northeast of Diamond Shoals.

SOCIETIES WILL JOIN IN MAKING CITY BEAUTIFUL

Horticultural Society and Industrial Association to Discuss Plans.

PRESIDENT TO REPORT AT GENERAL MEETING

Prize List Now Completed Is Largest One in History of Organization.

The future policy to be pursued by the Edmonton Horticultural Society is to be discussed at a general meeting of the society which has been called for Thursday, March 5, in the office of the industrial commissioner on the fifth floor of the city building. At this meeting the president, G. F. Downes, will report as to the advisability of the society co-operating with the Edmonton Industrial Association in beautifying the city.

This suggestion has been made to the Horticultural society some time ago by the Edmonton Industrial Association, and will be given the careful thought of the president of the society, who will embody his findings in a report to be presented at this meeting to be held on March 5. It is hoped that all members will be present to give their views on this important matter which is so vital to the welfare of the organization.

The prize list now complete and in the hands of the printers. It is expected that printed copies will be ready to present to the members on the date of the meeting.

ACME COMPANY HAS SPLENDID SELECTION OF SPRING FASHIONS

Those attending the Colonial ball given by the Canadian-American club on Monday night, Feb. 16, the anniversary of George Washington's birthday, should see the display of frocks and laces in the Jasper avenue window of the Acme company, corner of Second street, a showing made especially for this event.

The Acme is also showing some early but authoritative spring styles in women's gowns, which indicate that the latest fashions are usually charming and attractive. Ladies' shoes, slippers, hats and other material whose showing is timely at this season, fill up the balance of their splendid display window.

HAD TO STOP WORK FROM THE PAIN

Suffered Ten Years Until "Fruit-a-lives" Cured Him

ST. THOMAS, ONT., May 22nd, 1913.
"I was troubled for ten years with the most distressing Constipation and Indigestion of the worst form."
No one could have been worse with these troubles than I was for this long time.

The pain from Indigestion was so severe that many times, I had to stop work and lie down until the acute spasms passed away.

I took a lot of medicine—I have had advertised—and gave them all a fair test—but got no relief. About a year ago, however, I was advised to try "Fruit-a-lives". I am mighty glad I did for they were made to make exactly for me.

They gave results in a very short time and I am now free from these diseases and enjoying perfect health.

My wife also used "Fruit-a-lives" and we both think they are the best medicine ever made."

EMPLOYEES OF ESDALE PRESS MAKE MERRY AT BIG "BLOWOUT"

What will probably be the first of a series of "blowouts" given by the employees of the Esdale Press, Ltd., and their friends in the daily decorated building, recently moved to the new building, being the "at home" tendered by the management.

The committee of the affair consisted of Fred Levy, Oscar Nelson and Charles Whitehead. One of the features of the night was a typographical extravaganza in the form of a program printed with almost every conceivable form of type. The post of the place also got his quotations slightly mixed, as the multitude informed that a canal goes through days without a drink, but who wants to be a rolling stone? Also that no moss is gathered in by those who defer their laughter till the last moment, and so on.

The visitors had looked over the plant, a whirl drive was held, Miss Archibald being the winner of the lady's prize, and Sid Ellis and James Murray the gentlemen.

Then the nine-act program was held, every one of the excellent turns being presented by employees of the company in a manner which left no doubt in the minds of the lookers on that the glowing foot-lights were waiting for any who wished to give up the more prosaic positions of printer, compositor, and proof-reader.

Charles Whitehead and Percy Giles were down for "melodious singing" and produced a tremendous amount of the happy apprenticeship days gone by they chose "At the Devil's Ball."

There were also pleasing musical numbers by Miss Marion Edle, Fred Levy, Dredge and G. Holm, J. G. Gillard, Fred Levy, Oscar Nelson and others; songs by Miss Marion Edle and M. E. Went, and a recitation by Fred Levy.

After a flashlight photograph was taken and splendid refreshments served, the four hours' party was winding up, and judging by the harmony and good-fellowship which prevailed, one would not think that Fred Levy, Charles Whitehead and Percy Giles were down for "melodious singing" and produced a tremendous amount of the happy apprenticeship days gone by they chose "At the Devil's Ball."

BEHIND THE TIMES: SAYS ATHABASCA 100 MILES FROM RAILWAY

S. R. Parquharson, town clerk of Athabasca, strongly denies the report that the town is 100 miles from a railway. He said that the town is only 10 miles from the railway, and that the report was a mistake.

He offers as corroborative evidence the fact that he himself came down on a C.N.R. train to the city yesterday and claims he got on it at the C.N.R. station at the Landing. In fact, he says he had had a daily passenger service for some time, and expect to have even more than one line in the near future. They also expect to get the new and much-needed post office building which was promised them by the Dominion government.

Mr. Parquharson said that the town has recently disposed of \$165,000 worth of bonds for waterworks and other civic improvements, and that the town is now in a position to build a new water plant which will be large enough to supply water to a city of 10,000 people.

Poultry Association Meets

The regular semi-monthly meeting of the Edmonton Poultry and Pigeon Stock association will be held in the Bricklayers and Masons union hall, old courthouse building, Fraser avenue east, on Friday evening at 8 p.m.

The speaker of the evening will be Mr. P. J. Lewis of the City of Edmonton. All interested in poultry raising whether members of the association or not are invited to attend the meeting of the association.

Secretary to Council Committee

W. H. Todd yesterday was appointed secretary to the special committee charged with gathering information on elective commission government.

The Canadian Northern steamship Royal Edward will arrive at St. John, N.B., tonight. Passengers bound for Edmonton should arrive here Tuesday morning.

The More Buttons You Hold, the More Chances You Have of Winning a Prize

EXTRA BUTTONS With EVERY DOLLAR PURCHASE Brings a Merry Crowd

AS THE DAYS go by interest in this merry Button Button Event grows more intense and the army of prize hunters continues to increase in number.

This, no doubt, is largely due to the announcement that extra buttons are to be given away with every dollar purchase as long as our supply of buttons holds out. And at the same time, as the number of buttons in circulation is increased, so will the number of prizes throughout the store.

At the Present Time there are over 200 prizes waiting to be claimed which are valued from one dollar up to ten dollars and by Friday night we hope to be able to publish a good long list of prizes won and hope YOUR name will appear on the first list. But even supposing it doesn't, keep your courage up—there are still seven or eight more days of this interesting event.

You're under no obligation to buy; simply bring all your buttons with you or write the numbers you hold on a slip of paper) and wander through the store in search of the duplicates. But if you take our advice you'll come around to the store in the mornings—you'll find it easier to locate the prizes with the duplicate numbers attached. There's such a crush during the afternoons that you might pass the very numbers you hold.
